### **DETAILED ACTION**

In the Amendment dated December 22, 2004, claims 1-6 are amended is acknowledged. Accordingly, claims 1-6 are currently pending in this application.

#### ***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

This application is in condition for allowance except for the presence of non-elected claims 7-20 without traverse. Accordingly, claims 7-20 have been canceled.

#### ***Allowable Subject Matter***

Claims 1-6 are allowed.

The following is an examiner's statement of reason for allowance:

Claims 1 and 2 are allowable over the prior art of record because the prior art of record does not teach or render obvious a non-volatile semiconductor memory device comprises, in combination with all other features, a dummy pattern includes a third gate insulator having a thickness equal to the thickness of the second insulator and a height equal to the height of the second gate insulator as recited in independent claim 1.

Art Unit: 2818

Claims **3 and 4** are allowable over the prior art of record because the prior art of record does not teach or render obvious a non-volatile semiconductor memory device comprises, in combination with all other features, a guard ring includes a third gate insulator having a thickness equal to the thickness of the second gate insulator and a height equal to the height of the second gate insulator as recited in independent claim **3**.

Claims **5 and 6** are allowable over the prior art of record because the prior art of record does not teach or render obvious a non-volatile semiconductor memory device comprises, in combination with all other features, a guard ring includes a third gate insulator and a dummy pattern includes a fourth gate insulator wherein a thickness of each of the third and fourth gate insulator is equal to the thickness of the second gate insulator and a height of each of the third and fourth gate insulators is equal to the height of the second gate insulator as recited in independent claim **5**.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
